

Fifth Grade Supply List 2021-2022 School Year

Below is a list of supplies all students will need for the fifth grade. Given that there is limited storage space within our classrooms, we may ask for additional items as they deplete throughout the school year. Thank you in advance for your support.

In order to help your child organize and maintain their materials for each subject we follow a color-coding system. We ask for folders to be purchased in the below colors to help students recognize and easily grab the materials they need to work!

Individual Resources: To curb the spread of germs, we are asking that students maintain individual materials. They can be kept in a plastic pencil case (for easy cleaning) or a Ziploc baggie will be provided to them for storage.

Classroom Resources: These resources will be used by all students in the classroom.

Individual Resources

- 1 plastic labeled pencil case
- 4, black and white composition wide-ruled notebooks, no spiral
